

GOALS OF THE UN

UN'S INTERMEDIATE OBJECTIVES

WHAT WE DO

3 GOOD HEALTH AND WELL-BEING

3.9 Reduce the number cases of illness as a result of harmful chemicals.

- We work so that more people can enjoy themselves and feel good at home. With relief at home, more people have the opportunity to make everyday life work together and combine work and family. It contributes to reduced stress, reduced sick leave days, and saved costs for both the individual and society at large.
- We want our employees to thrive and feel good at work and have a systematic work environment to promote good health and well-being.

4 QUALITY EDUCATION

4.4 Increase the number of people with skills for financial security.

4.7 Education for sustainable development.

- We invest in education to create growth, innovation, and future competitiveness.
- IDP courses.
- Language courses.
- Leadership courses.

5 GENDER EQUALITY

5.5 Ensure full participation of women in leadership and decision making.

5.B Strengthen the role of women with technology.

- We employ many foreign-born women, with a job we strengthen their position on the labor market and the opportunity to create their own social and economic platform.

8 DECENT WORK AND ECONOMIC GROWTH

8.1 Sustainable economic growth.
8.2 Promote economic productivity through diversification, technological innovation and upgrading.
8.3 Promote policies for employment opportunities and increased entrepreneurship.
8.4 Improve resource efficiency you consumption and production.
8.5 Promote full employment and decent working conditions for all.

- We create growth and important jobs in a growing white service sector.
- We continue to drive the industry forward and create demand for more services in the home.
- Contractual salaries, insurance, pension provisions, etc., and continue to professionalize the profession.

GOALS OF THE UN

UN'S INTERMEDIATE OBJECTIVES

WHAT WE DO

10 REDUCED INEQUALITIES

10.1 Reduce income gaps.

10.2 Promote social, economic, and political inclusion.

10.3 Ensure equal rights for all and stop discrimination.

- Creates new jobs and therefore a safe social and economic platform for more people.
- We work hard to create a corporate culture where all our employees should feel welcome regardless of background, education, age, or gender.
- Equal treatment policy.

12 RESPONSIBLE CONSUMPTION AND PRODUCTION

12.4 Responsible handling of chemicals.

12.5 Reduce the amount of waste.

12.8 Increase public knowledge about sustainable lifestyles.

- Labeled cleaning products, good environmental choice.
- Established recycling and reuse service for customers.
- Reduced waste in our daily operations.
- Inspires our customers to a more sustainable lifestyle at home.

13 CLIMATE ACTION

13.A Implement the UN Framework Convention on Climate Change.

- Follow-up of our climate footprint and active work to reduce our emissions.
- Environmentally friendly, electric cars.

17 PARTNERSHIPS FOR THE GOALS

17.16 Strengthen the global partnership for sustainable development.

17.17 Encourage effective partnerships.

17.19 Develop new ways to measure progress.

- More collaborations with municipalities and social entrepreneurs to create a more open and dynamic labor market.
- More collaborations to inspire customers to live more sustainably.
